

## OVERVIEW

The Greyfox Home Systems line of standard keystone style F Connectors provide optimum performance for all video applications such as satellite and cable TV. The F Connectors feature a recessed design that helps prevent damage to the coaxial cable caused by furniture.

The F Connectors are available in Ivory, Light Almond, or White. This variety of colors allows you to easily match the connectors with a home's decor.

## FEATURES & BENEFITS

- Standard F connector supports coaxial cable for video applications
- Recessed design doesn't interfere with furniture and is safer for children
- Removes easily for quick reconfiguration
- Rear mount, snap-in keystone design
- Perfectly color matched with Greyfox wall plates
- Available colors: Ivory, Light Almond, and White
